

## **The giants of the hardware industry are meeting in Istanbul!**

Hardware Eurasia is getting ready to open its doors for the second time at Tüyap Fair and Congress Center in Istanbul between 24-27 May 2023. More than 200 companies are expected to open stands during the fair. The hardware industry of Türkiye significantly contributes to the national economy with 14,550 companies, 880,000 employees and an export capacity of 11.8 billion dollars.

Hardware Eurasia, Eurasia Industrial Fasteners and Fixings Trade Fair Fastener Expo Eurasia and Tube & Steel and Wire Tech Fair will be held simultaneously.

Representative companies of these key industries that complement each other will come together under the roof of Tüyap for global trade. More than 30,000 visitors from 120 countries, over 6,000 of them being foreigners, are expected to follow the fairs.

Hardware Eurasia Fair brings together all components of the hardware industry in cooperation with RX Tüyap and Hardware Manufacturers and Businesspeople Association (HISIAD) at Tüyap Fair and Congress Center in Büyükçekmece, Istanbul between 24-27 May 2023.

During the fair, where more than 200 companies are expected to open stands, fasteners, hand tools, power tools, furniture accessories and parts, abrasive cutting and perforating supplies and tools, locks, welding machines and welding supplies, building supplies, chemicals and surface treatment supplies, and occupational safety supplies will be exhibited.

Held for the first time in 2022 with the participation of over 110 companies, Eurasia Hardware Fair hosted more than 10 thousand industry professionals from 91 countries.

### **The hardware industry with a size of 11.8 billion dollars gathers for this fair**

RX Tüyap General Manager Berkan Öner said, "We expect more than 6,000 business people from not only Turkey but from more than 120 countries to visit our fair attended by leading companies that are manufacturers in the hardware industry with a size of 11.8 billion dollars. We aim to bring the hardware industry closer to its export targets with the international visitors coming to our fair. Preparations for our fair continue at full speed. We are looking forward to hosting the important companies of the hardware industry and our visitors for 4 days."

**You can visit 4 fairs with one ticket!**

Hardware Eurasia's online ticket is free of charge until 24 May, and with one ticket you will be able to visit the Eurasia Industrial Fasteners and Fixings Trade Fair Fastener Expo Eurasia and Tube & Steel and Wire Tech Fairs held at Tüyap Fair and Congress Center.
